**The Holocaust Education Center, your first stop, is a peace memorial established by Mr. Makoto Otsuka, inspired by his connection with Otto Frank, Anne Frank's father. Inside, discover "Anne's Rose Garden," where the "Souvenir d'Anne Frank" blooms. This rose, propagated by the volunteer group "Small Hands," led by children, symbolizes peace worldwide. You will also visit "Garden Tomitani," winner of the annual Local Rose Garden Award in Fukuyama, and meet members of the "Garden Tomitani Friends' Group" who manage it.**
