Departure;
Afternoon
(onsite lunch)

Fukuyama(12:00) - Sera Kogen (Lunch & Field Trip) - Fukuyama(17:00)

Just a 70-minute drive from Fukuyama, Sera awaits with its breathtaking highland scenery. Known as "the Town of Fruits and Flowers," Sera Kogen is composed of four diverse and colorful farms. The garden you will visit, the "Sky Rose Garden" is located at 540 meters above sea level, where English roses and perennial flowers bloom all around, seemingly stretching towards the sky. For lunch at the special venue in the rose garden, we offer "Sera Burgers," fresh salads, and locally-made wine.
